ANNUAL GENERAL MEETING

Get your calendar out and put a big circle around January 20, 1974 and scratch Gen. Meet, time: 2pm, place: Club 70 so you do not forget to "come out". This is a grand opportunity to find out the what? where? why? who? etc. of what we might expect to see in 1974 at our Club.

INFLATION HITS CLUB !

Everything is going up (great, eh) and that includes membership in our ever growing Club. After all the expences were put together- rent, renovations, new sound equipment & records ad infinitum the Board was reluctantly forced to raise memberships to \$15.00 per year. Memberships taken out after the year begins will be reduced according to the number of months remaining . We hope you will not be terribly inconvenienced and will enjoy even more the many things your Club memberships provide.

HELP ! HELP ! HELP ! HELP !

We have someone who has loads of experience (!!) and is going to look after our Club paper....but not so much he could not use more. If you can write/print, type, turn a crank or do any little thing at all (handle paperclips?) we are sure to be appreciative of a hand in getting out our monthly paper...so, please *phone Brian at 474-7180 after 8:30 pm on TUES OR THURS. Sometimes he may be out but will try to be home so we can get a paper out every month.

The January issue will come out right after Christmas. The deadline for all news, etc. is December 22, 1973.

The February issue deadline is January 25, 1974 and the paper will be out a day or so later.

PRESIDENTS MESSAGE

I would like to take this opportunity to wish each and every one of you a very Merry Christmas and the best in the coming year. I hope that you will all fully enjoy the activities planned for you in the coming festive season and sincerely hope that 1974 will be even a better year for Club 70.

As you read earlier the Annual General Meeting has been scheduled for January 20, 1974 at 2:00 pm. This presents a good chance for you to voice an opinion on the matters of operating your Club and a chance to choose your executive. Lets see you all there with all the support you can give.

FLASH- PRES. HAS BEEF :

My beef for the month goes out to the thief who stole a members leather coat on this past Saturday night. I do hope that you will enjoy it knowing that someone else is doing without something he has rightfully earned and that your fellow members are paying for your mistakes.

PS. If you would like to discretely return the coat you may do so by telephoning me at 475-9740 and I will pick up the coat and return it to its rightful owner without so much as a word. Thanks Dow
